

PUBLIC NOTICE

On May 3rd, 2010 an information package along with notice of public meeting was mailed to every household to invite the community to attend a public information session to held on May 17th, 2010 at the Markstay-Warren Community Center at the upstairs hall to inform the public on Consbec's plans to locate their operation in our municipality.

Consbec Inc. – Mining and Construction Company has received final approval from Natural Resources Canada to proceed with the construction of a mobile emulsion plant to be located at 7568 Highway 535 North, Hagar.

For further information on this plant please contact CONSBEC's representative Mr. Richard Walker, General Manager at (705) 897-6772. Website: www.consbec.com

June 30th, 2010.
